

Buy A Brick – Build A Future

We have built a walk and patio area at our Trumbull site, 2440 Reservoir Avenue; and we're building a larger and stronger Endowment Fund in the process. While we have achieved \$4.5 million in the Fund, our goal is to reach \$6 million in the near future. When you buy the brick or bricks of your choice, you're buying a lasting memento at The Kennedy Center and you're helping to build our future. We need your support!
